

Happy Father's Day  
June 18th, 2017

Dear fathers and grandfathers, You are a beautiful witness to the love of God, who is our Father in heaven. I pray that you stay close to your children in love, just as St. Joseph was close the Child Jesus; I pray that your love will always grow with your wives, just as St. Joseph and the Blessed Virgin Mary were deeply in love.

## *From the Pastor's Desk*

As we celebrate Corpus Christi this Sunday, we also celebrate Father's Day. Corpus Christi is a celebration that recognizes the real presence of the Body and Blood of Christ in the Eucharist, and once received, we believe that it is the Body and Blood of Christ. So we give importance to it and once in the Blessed Sacrament, we give due honor and respect. In a similar way, as we celebrate Father's Day this Sunday, we recognize and give honor to all fathers who became part of our lives, who showed great love and care, support and inspiration. We want to thank and appreciate them.

And I think none of you can ever be proud enough of being the child of such a Father who has not his equal in this world - so great, so good and so loving. There has been probably a moment when you have stopped to wonder the matchless importance of your dad in your lives. Their influence is infinite, their presence is incomparable! They have been a pillar of strength for you and their unconditional love has never demanded anything from you other than your love and respect. Celebrate the spirit of Father's Day with this adorable story and cherish the presence of your father in your life.

Jonathan's mother died when he was very young and his father brought him up. Both of them shared a very special relationship. Jonathan loved to play football and his father made sure that he was always there to cheer his son at every game, even if Jonathan wasn't a part of the playing team. Jonathan, being small sized, wasn't allowed to play on the main team. Nevertheless, he continued with his practice with full determination. Everyone thought Jonathan would never be able to make it on the team, though somehow, his determination carried him through. The coach, seeing his diligence and dedication, decided to keep him on the roster.

One day during practice, the coach met him with a telegram. Jonathan was shocked to read the message contained in it. Swallowing hard, he mumbled to the coach, "My father died this morning. Will it be all right if I miss practice today?" The coach gently put his arm around his shoulder and said, "Take the rest of the week off, son, and don't even plan to come to the game on Saturday." On the day of the game, Jonathan's college team was losing badly to the rival team. The coach and the players had all lost hope when they saw Jonathan coming towards them. Jonathan ran up to the coach and pleaded with him to allow him to play in the game. At first, the coach wouldn't allow him to play. However, after a lot of persuasion, the coach gave in. No sooner Jonathan joined the team on the field, their scores started to improve and before long, the teams were tied.

However, the real cheer came during the crucial closing seconds when he intercepted a pass and ran all the way for the winning touchdown. His team members were ecstatic. The crowd came running towards him to celebrate the win. After the match, the coach went up to Jonathan, who was seated alone in the corner of the locker room and asked, "Kid, I can't believe it. You were fantastic! Tell me what got into you? How did you do it?" He looked at the coach, with tears in his eyes, and said, "Well, you knew my dad died, but did you know that my dad was blind?" The young man swallowed hard and forced a smile, "Dad came to all my games, but today was the first time he could see me play, and I wanted to show him I could do it!"
